BY REVIEW LEASED WIRE

NEW YORK, Aug. 31.—Wall Street's unwavering confidence in an amicable adjustment of the railroad labor dispute found expression today in a further advance of prices after an early period of hesitation and doubt.

United States Steel repeated its high record of 59 3/8, made last week, and Mercantile Mariner attained new heights, the common advancing 1 1/2 to 44 3/8 and the preferred 1 5/8 to 14 3/4. Other new maximums included Inspiration Copper, which rose 3 to 58.

A very considerable part of these gains which obliterated in the last few minutes of trading, with the publication of a report from Washington that the President's plea with the representatives of the brotherhoods had failed. In the main, however, closing prices disclosed decided preponderance of advance. Ralls and other seasoned stocks were in general demand, the injury originating largely with the short interest which has stocks in expectation of a strike.

Commission houses also reported buying from interior sources in touch with railroad conditions.

Coppers as a group followed the lead of Inspiration with extreme advances of 1 to 3 points, the minor industrials took their cue from steel, with rains of almost as much.

Equipments were only moderately active, the same condition applying to munitions, the motors, zinc shares and sugars. Total sales amounted to \$20,000 shares. Marks duplicated their recent minimum of 70 1/2 in the foreign exchange market and rubles yielded some of their advance at 24 with sterling and francs virtually unaltered.

Bonds were steady with total sales par value of \$2,270,000.

U. S. coupon four advanced 3/4 cent on bid and coupon two 1/2 cent on the transaction.

CHICAGO GRAIN MARKET.

CHICAGO, Aug. 31.—Reassuring advice that the chances of a strike were much less threatening brought about a sharp rally today in the wheat market here. In consequence the close, although unsettled, was 3 to 3 1/4 net higher, with September at 1.42 1/4 and December 1.43 3/4 to 1.46. Other leading staples, too, all scored gains—corn 1 1/4 to 1 1/2; oats 1 1/4 to 1 1/2; and provisions 1 1/2 to 1 1/2 to 60.

At first the wheat trade gave only transient notice to reports that renewed efforts were being made to postpone or avert the strike. Moderate upturns which took place in values failed to hold and the market underwent a material sag owing to assertions that within 48 hours Greece was likely to abandon neutrality. It was not until definite tidings of progress toward a strike settlement were received from Washington that speculative sentiment here swung conclusively to the bull side. The resulting advance of prices was accompanied by word that all wheat offered for export had been eagerly snapped up by Europe.

Signs that big deliveries tomorrow on September contracts would pass into the hands of strong interests did a good deal to help inspire the late confidence on the part of the wheat buyers.

Corn, like wheat, derived strength chiefly from the improved outlook that railroad operations would suffer no interruption. Oats hardened in sympathy with wheat and corn.

Highest quotations on hogs since 1866 sent provisions sharply up grade. The bulk of the trading was in lard but pork led the advance.

(By L. J. Overlook)

BOSTON, Aug. 31.—The market opened rather soft this morning owing to the strike news but towards noon more reassuring news came from Washington and stocks were bid up very fast. The situation is governed entirely by the railroad strike and if amicably settled the stocks will go higher with a rush. Inspiration was very well bought all day and look to see it sell very much higher. Would go rather slow until the situation is clearer.

FOR JUSTICE OF THE PEACE.
BISBEE.
Edward G. Riley Republican Candidate for Justice of the Peace, Bisbee Judicial Precinct Number Two, has been a resident of Arizona, for the past twenty four years. Prior to his sickness he followed the trade of painter and paper hanger but about nine years ago was stricken with paralysis since which time he has been unable to follow his chosen occupation, but has been dependent on any odd jobs obtainable in his unfortunate affliction. For two years, Mr. Riley served as Justice of the Peace in Jerome, Arizona, and this City is second only to Bisbee as a mining camp. Mr. Riley does not ask that you support him because he can no longer follow his trade but as he has lost the use of his physical strength to earn a livelihood and is thoroughly competent to do the duties of the office of Justice of the Peace and is always sober and can be relied upon. You will not make any mistake by voting for him.

You can also be assured that in case he is elected he will never do an injustice to any one but will always give all litigants before the Court a "square deal". He will not abuse and misuse his authority.

Mr. Riley has a family and has struggled the best he could during adversity. A vote for him for Justice of the Peace will be a vote for a "square deal".
